# PRATHEEBA S

Tamil Nadu, India | 9751008105 | pratheeba723@gmail.com

## CAREER OBJECTIVE

Motivated and enthusiastic B.Sc. Computer Science with Data Analytics student with a strong interest in Data Analytics, Data Visualization, Machine Learning, and Predictive Modeling. Skilled in Python, R, SQL, Power BI, Tableau, and Excel. Seeking an entry-level opportunity to apply technical and analytical skills to real-world problems, develop data-driven solutions, and contribute effectively to an organization while continuously learning and growing.

## EDUCATION

**B.Sc. Computer Science with Data Analytics**
KPR College of Arts Science and Research, Tamil Nadu
Percentage: 82%

## TECHNICAL SKILLS

**Programming Languages:** Python, R

**Database:** SQL

**Data Visualization:** Power BI, Tableau, Microsoft Excel

**Data Analytics:** Data Analysis, Data Interpretation, Data Visualization

**Machine Learning:** Machine Learning Fundamentals, Predictive Modeling

## PROJECTS

**Stock Level Prediction and Control Software | Capstone Project**

- Developed an AI-driven inventory management system for stock-level prediction and retail demand forecasting.
- Applied Python, Machine Learning/Deep Learning, and Data Analytics to support demand prediction and inventory control.
- Implemented features for stock monitoring, demand prediction, automated reorder support, and inventory analytics.
- Designed a dashboard to provide visual insights for inventory management and data-driven decision-making.
- Applied predictive concepts to support better stock planning and inventory control.

**Student Placement Prediction System | Mini Project**

- Developed a Machine Learning-based system to predict student placement outcomes.
- Performed data preprocessing and applied Machine Learning techniques to student-related datasets.
- Generated predictions and analytical insights to support student placement analysis and decision-making.
- Applied data-driven techniques to identify patterns related to student placement outcomes.

## ACHIEVEMENTS & ACTIVITIES

- Created 75 robots and achieved a record through the activity.
- IEEE Member.

## SOFT SKILLS

Problem Solving | Analytical Thinking | Teamwork | Communication | Time Management

## LANGUAGES

Tamil | English | Hindi
